## AFFORDABLE CUSTOM BUILT WEBSITE TO PROMOTE AND GROW YOUR BUSINESS

Get your new business website today.

\$99 Per Month Blueflame can Custom Build your Website To Your Specifications, This is not just a website, we are part of your business team with total dedicated support, ongoing changes, & assistance anytime you need it. No extra cost!

### PAY MONTHLY

Avoiding the often high upfront costs to develop a website for a small monthly fee, our team will build and maintain your website. No lock in contracts. Think of it as a website with an on call website designer working for, and with, your business.

### YOUR DEDICATED PARTNERS

We would prefer to see ourselves as your online partners. When you purchase this package you benefit from our dedicated team working with you on an ongoing basis as you need us, providing training, support, sharing ideas, further adding features to your website, adding images, altering menu's and content.

### 24/7 SUPPORT

If you need it done, email us or call 0405 272 355 and we will have it done for you. We want you to focus on your business, let us focus on your website and better promote and grow your online presence.
